Minutes:

Meeting Start time: 14:01

- [Minutes](#) from the April 15, 2026 meeting approved
- No outstanding actions to review.
- Review of GitHub [issues](#) and [discussions](#) flagged for PMC agenda
 - Win 2025 now supported, close discussion
 - Container matrix, 'Create documentation regarding what criteria should be met to add new items to the matrix.' **ACTION:** George to create a draft documentation.
 - Other container discussion
 - i. Mirror to ghrc discussion to be added to future mtg agenda
 - ii. Agentic workflow to showcase 'what changed' for changes in Dockerfiles.
 -
- April Release update
 - Over half done, despite several Jenkins restarts that set back the release by several days
 - Jenkins 'division of labour' plan
 - i. Suggestion for immediate stability, production servers for build and test, Dev server for development work
 - ii. Create EPIC to discuss future refactoring of the pipeline to allow for portability to other systems, and independent pipeline activities for restartability, etc. **ACTION:** Andrew to create an issue, and we will plan a separate call for requirements gathering and design discussion.

- iii. Talk about golang approach using executables for 'setup build' 'setup test' tasks. This can be brought into the 'future of build and test' design discussions post April release.
- Headless blogpost
 - **ACTION:** Shelley to review (as 3rd reviewer) by end of day today, in preparation for imminent publish/sharing.
- EF Progress review and follow-on activities
 - PMC asked to look at the related Gitlab issue, ask questions and/or make comments in PMC mailing list
 - Not prompted by PMC, but rather by EMO
 - No timeline on this, but is a standard practice to ensure EF projects are in 'good-standing'
- 1Q 2026 High impact contributions suggestions
 - Shelley to create an adoptium github issue to call out contributions, PMC to add/edit as they see fit. Discuss in the next PMC call.
- AoB
 - 'Release publish requests' Slack app demoed. **ACTION:** George to push the code to an Adoptium repo for broader trialing and review.

Meeting End time: 14:57
